Founded in 2002, School of Ukrainian Language and Culture (SULC), located at the Ukrainian Catholic University, has become one of the most popular providers of Ukrainian language and culture education for foreigners in Ukraine.

**1. INDIVIDUAL UKRAINIAN COURSES:**

For individuals or groups who are working or studying in Ukraine and want to take a face-to-face language course. Available at any time of year.

**2. ONLINE UKRAINIAN COURSES:**

For students who wish to learn Ukrainian but don't have the time or opportunity to travel to Ukraine. The language course is taught via Skype.

**3. SPRING/FALL UKRAINIAN PROGRAM:**

For students who like studying in groups. A short-term 2 or 3-week course includes educational classes, tutoring and cultural evening program.

**4. SUMMER UKRAINIAN PROGRAM:**

For those who strive for complete immersion into the Ukrainian language and culture. The largest and most prestigious Ukrainian as a foreign language program in Ukraine, welcoming about hundred students from over twenty countries each summer.

***Education:***

- All courses are available for students of all levels of Ukrainian from beginner to advanced.
- Each course gives students the possibility to obtain university credits.

***Facilities:***

University classrooms are equipped with audio and video units.

**Accommodation** – single/double rooms in the student dormitory building or home stay with a Ukrainian host family.

**Meals** – in the University cafeteria.
